Maybe even better than free.

You can upload any type of file (movies, music, documents, images, zip files and more). filehosting provides an easy possibility for you to send large files to your friends. Our service is completely free for everyone. No account or credit card is required to get started. Simply upload your file and share the link. It is also allowed to link to the download page from websites and communities. Using file, you can circumvent those limits without paying to upgrade your teamchat service. File is free to use with no gotchas and no hidden fees. If only we could, we surely would! On the other hand, using file can actually save youmoney. There are no restrictions on the number of times a file can be downloaded. Files can be downloaded from any computer from our high speed servers.Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file, data is being transferred between your computer or phone andour servers, then from our servers to your friends device. So try our free and simple filehosting service now. The cost of that data transfer is covered by yourinternet service or the data plan on your phone. Alternatively you can choose to share your download links on blogs, forums and social networking sites. Anyfile in any format can be uploaded and downloaded for free. Why pay storage fees for a file that you just wanted to send to a friend or colleague? Also, manyteam chat apps have limits to the size of files that can be transferred within their apps. This is easy, fast and reliable filehosting! You don't need any kind ofpremium-accounts. Just upload the file you want to share with your friends and we send you a download link to your file. Unfortunately, we can't make thatpart free. Keep your files private, or send your download links only to friends or family. When you use file, you avoid storing the file you're sending in yourcloud storage or mail server. You decide who you want to share your files with. You don't need any special software installed to be able to download your files.We have no file size limit. You can give this download link to your friends by mail or instant messenger. Files transferred the old-fashioned way tend to pile upand be forgotten about, eventually costing you money in data storage fees.
